Rockfall Mitigation & Reconstruction

ID PFH 26-1(1)

Highway 75 between mileposts 205.4 and 206.7 at the “**Narrows**”

Final base rock grading was completed this week. Paving the roadway has begun. Next week can expect finishing sculpted shotcrete over the face of the MSE Walls, as well as shotcrete staining.

Public traffic can expect minor delays up to 15 minutes throughout the day. The project is open to two-lane traffic, over gravel roads, during non-working hours and over the weekends. There is no night shift currently scheduled. The work shift is sunrise to sunset.

There is no Saturday work scheduled for the rest of the summer.

Knife River paving the project.

Road Closure Information

Week of July 19, 2015

Up to 15-minute delays this week.

No closures this week.
